

~Important for Opening a Bank Account~

It is **illegal** to sell or give your bank account !(Bank book, Cash card, Account ID and password, etc..)

Don't do the things such as...

- Opening your bank account for the purpose of selling or giving it
- Selling or Giving your bank account for any reasons.
- Selling or Giving your online account ID and Password to others

Prevent from being involved in crimes

- Manage your bank account (bank book, cash card, account ID and password) by yourself.
- Be careful and doubt if someone ask you to sell or give your bank account as a temporary job.
- Close your bank account as soon as possible when you leave Japan permanently or you don't need the bank account any more.
